I wonder if they have ever thought about who might be the next American President. I believe the world could be at the crossroads of a global economic crisis, humanitarian disaster, and the will for a better future. I feel that Obama has set the world on an explosive course that could bring about the very destruction of the Planet Earth. Obama will face historic challenges with his presidency, a future of great danger to all mankind. I am convinced that the world needs a humble leader like Reagan. He did not ask for the job, but was called by God on behalf of the American People. He will lead America on a path of peace and freedom for all. I could be wrong, but if I am, I will be the first American to ever beat Fidel Castro. World Constitutions By Kaeley Pdf 19. "Untitled 07" - Michael F. H.
