pricing, special features, and service and support options are subject to change without notice. Well-targeted sales and marketing materials help merchants focus on specific customer segments and geographic markets. If you're selling to a particular clientele, it helps to explain their problems, needs, and solutions. Consider the following: What is your best way to educate your customers about your product or service? How do you convey relevant information to your customers about their products or services that have just changed? Who would be interested in learning more about your business, and what specific opportunities would they find valuable? What are your competitors doing that you wish your customers were doing?
